

Sponsorship & Trade Exhibition Prospectus

Gas Energy Australia
National Forum
30-31 May 2024
Melbourne

- Renewable Gas: Changing the Game -

On behalf of Gas Energy Australia we invite you to support our 2024 National Forum.

Running over 30-31 May in Melbourne, this insightful information sharing and networking event covers the vital issues and opportunities affecting the LPG sector today and into the future.

Position your company front-and-centre among the leaders and key decision-makers at this important industry gathering.

Gas Energy Australia's 2024 National Forum brings together the leaders and key decision-makers across the LPG and associated gas sectors. The 2024 event will be held over 30-31 May at Pullman Melbourne on the Park.

The Program brings together experts to share their insights into the policies and practical considerations to position LPG to be an important part for Australia's clean energy transition.

BioLPG, renewable LPG and renewable DME fuels leaders will explore the most pressing challenges facing the industry and ways to leverage its greatest opportunities.

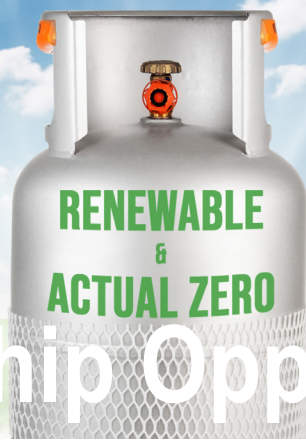

This prospectus outlines the sponsorship and exhibition opportunities available to promote your company and increase its profile to a diverse group of professionals working in the gas sector and the emerging renewable liquid fuels market.

The indicative program for the 2024 GEA National Forum will consist of:

- Two days of sessions over 30-31 May at Pullman Melbourne on the Park
- Cocktail reception on 30 May
- Gala Dinner 30 May in the main ballroom
- Breakfast session in the main ballroom
- A trade exhibition space adjoining the conference session rooms for delegates to congregate for morning/afternoon tea and lunch.

We look forward to welcoming and working with you as a valued partner.

For all sponsorship enquiries please contact Tahnee McElligott at GEA via tmcelligott@gasenergyaus.au
